

VEHICLES

- A. Number of vehicles: Unit owners, or tenants, and their families may not maintain in excess of two vehicles on Association property without specific written permission of the Board of Directors.
- B. All vehicles maintained on Association property must be registered with the Association.
- C. Each unit has at least one designated and appropriately numbered parking space. Garages and the related driveways are numbered and count as two spaces. For units with garages, one car shall be parked in the garage and a second car must be parked in the corresponding driveway and not in designated visitor spaces. The area behind each of the numbered spaces for Units # 72, 74, 76, and 80 is sufficient to accommodate a second vehicle. Such area should be used just as a driveway is used for those units with garages. Units with only one designated numbered space, but with two vehicles, must park the second vehicle in a visitor space in accordance with the rules applying to visitor spaces as stated below in paragraph D.
- D. The Association maintains a limited number of additional parking spaces, which are primarily for use by visitors. When necessary, owners or tenants may temporarily park a vehicle in a visitor space. With the exception of those visitor spaces located in the Clubhouse area, no vehicle may occupy a visitor space for more than 24 consecutive hours. The visitor spaces in the Clubhouse area are available for longer term parking of second vehicles from units with only one designated space.
- E. No owner, tenant or visitor may park, keep or maintain on Silo Hill property a commercial vehicle, truck, pick-up truck, trailer, boat, or a vehicle that has affixed to it any business signs or carries a commercial combination plate.
- F. Garage doors should remain closed at all times except when entering or exiting, or when work in or near the area requires the door to be open.
- G. Speed limit for all vehicles shall not exceed 15 mph.
- H. One-Way signs must be observed at all times.
- I. Vehicles traveling on Silo Circle have the right-of-way at all times. Traffic entering Silo Circle from Stirrup Lane and Whiffletree Way must first come to a complete stop.
- J. Car washing is permitted in numbered parking spaces and next to the Clubhouse.
- K. Auto repairs are not permitted except in the case of an emergency.

- L. Bicycles must observe the same traffic pattern as other vehicles. In the interest of safety, bicycle riding, skateboarding, scooters, etc., should be limited to the Clubhouse parking area.
